6. Rate should be written in figures as well as in words. In case the contractor gives the different rates in words and in figures the lower of the two will be considered valid & will be binding upon the contractor.
7. Quantities are liable to change without entitling the contractor to any compensation.

(Contd. 2)

(2)

8. In giving their rates, tenderers are advised to take into account fluctuation in market rates. No claim will be entertained on this account during acceptance of tenders and currency of the contract.
9. Tenderers are advised to see the site of works and acquaint themselves of the position of the material, conditions of contract drawing, modifications if any, etc. before tendering.
10. Conditional and unwitnessed tenders are liable to be rejected.
11. Not more than one tender should be submitted by one contractor or by a firm of contractors for the same work.
12. Under no circumstances will a father or his son or their close relation or the partner of one firm be allowed to tender for the same work as separate tender. A breach of this condition will cause the tenders of such parties liable for rejection and forfeiture of their earnest money.
13. In case of a firm, tender must be signed by each partner or member or the person holding the registered power of attorney on behalf of them. In later case, a copy of the power of attorney attested by the Gazetted Officer must accompany the tender.
14. The tender will be opened at **3.30p.m.** on...**16-11-2013**.....by the Executive Engineer/Asstt. Engineer or other Competent Authority. Tenderers are expected to be present at the time of opening of tenders.
15. Power is reserved to reject all tenders or accept any tender or part thereof without assigning any reason or giving any explanation thereof. In case of part of the tender, time for completion for the work will also be reduced proportionately.
16. Tendered rates will include all royalty, T. & P. carriage of material, removal of rejected samples and materials all sort of District Board, Municipal Board and Govt. taxes inforce from time to time including Sales Tax. The tendered rates shall be treated as complete in all respect.
17. (a) Rates will hold good for the period of...**three months** from the date of opening the tender or further extended under consent of the tenderer. Intimation of acceptance of the tender given to the tenderer within this validity period by registered post will be treated as served on him.
(b) Any correspondence regarding this tender sent by Regd. Post to the contractor on the address given by him in tender/enlistment will be deemed to have been served on him.
(c) The tenderer will give declaration on **Rs. 100/- Non-judicial Stamp** affixed with Re. 1 revenue stamp, along with his tender regarding his acceptance of this validity. Set language for this declaration can be obtained from the office of undersigned. No tender will be considered without this declaration.
18. Unless the person whose tender is accepted signed Contract Bond within seven days of the date of receipt of acceptance letter, the earnest money will be forfeited and acceptance of his tender withdrawn.
19. The stamp duty as applicable shall be paid by contractor.
20. (i) No person whose near relative is in the employment of the Corporation and is posted in the Division shall be allowed to tender.

(3)

- (ii) The person tendering shall clearly mention in their tenders whether any of their close relative is in the employment of the Corporation and in case their near relative is in employment of the Corporation then his name, designation and place of posting to be mentioned.
- (iii) If the person tendering do not disclose and furnish the correct information as required in sub-clause (ii) above, than his earnest money may be forfeited and in case the contractor has been awarded the work, the same may be cancelled.

NOTES:

- (i) The work 'NEAR RELATIVE' mentioned in the above clause means father, mother, sister, brother-in-law, daughter, father-in-law and mother-in-law, son-in-law first cousin of self, wife, father-in-law and mother-in-law of son & daughter.
 - (ii) The person tendering mentioned in above clause means any individual contractor or a partner or means any individual contractor or Director of any firm or company.
21. Trade Tax/Income Tax will be deducted at source from contractor's bills/dues in accordance with latest Govt. Orders from time to time. The contractors will have no objection to this effect.
 22. Without prejudice to any other remedy provided by the law, the Corporation may recover all dues hereunder from the contractor as arrears of land revenue.
 23. The successful tendered shall deposit a performance security at the rate of 5% (Five Percent) of contract value at the time of registration of Contract Bond in the form of Bank Guarantee. Fixed or Time deposit receipt of any nationalized Bank of India pledge in favour of the Executive Engineer, UPSIDC in lieu of his assurance for proper execution of entire work as per provision of the tendered papers in terms of the contract bond. The contractor will be liable for forfeiture of this security in case he fails to discharge his responsibility at any sage after the registration of the Contact Bond. However this performance security shall be refunded/released to the contractor when sufficient security deposit from the bills of Contractor is available as required under clause-I of condition of agreement attached to the Contract Bond.
